1. Who can see me bust loose, not; freeing others, free myself, not; free that/all that is within me. Bless his holy name, not; father. For he has done great things, not; he is them. He is what he does/is/speaks/brings forth/about. Now and forevermore. Amen.

2. This is the moment all sings, not; but many will/do. I love you. Singing my song of Jubilee and Zion reigns in holiness, righteousness; judgment none, judging themselves righteously and not. See my Zion reigning in righteousness and knowing who they are, who I am. Knowing who I am, not as they thought, realizing/remembering they are me and Zion is our name. Nations of covenant, not; one, mine, New Covenant'd and one; and enterprising, not; entirely encompassing me. Through God's word, not; mine, in them, released, them being me, who I am. Them in them, not; me in them, me in me being the same; released into covenant real. I love you.

3. This is the moment all changes, not; many do, much does. Cities change overnight and holiness walks the streets, not in clothing cloaked but naked in me, not; regal'd. Superior'd, not; one'd. I love you.

4. See what I have said, am saying, in London day after day and how many days now? Till what/when? What happens/occurs? Occurring one what one'eth me not, surrendering into one, one becomes one that is, was, all along. I love you. Changing nations, times, words thought unmovable/unshakeable; the never-changing-thought changes instantly, many do/will. I love you.

5. This is the me speaking and who else would choose to? **Not-me. See thou art the word of thy mouth, judgment upon yourself choosing/pouring every day, every word/thought. See thou art** wholesomeness, not; **whole only in me my words released within, from within, to within, to without.**

6. **See what I Am said, am saying, revealing; discovering not a new land promised; the Promised Land**, secure and real, provisioned to you my surrenderers all. All-land yours, is. I love you. I've given you yours. Yours is/are mine. Mine is/are yours. We are the same, not, not. **Who else is me but you surrendered into me being my word that you are, were then, all along not; except thinking you weren't.** I love you.

7. **What is the world made of? Consisting of? Wordlessness? Nay. Wordship. Mine, and not-mine. Not-mine being powerless/cunning and scanning constantly for receivers of not-my-word but theirs, theirs cunning slithery and belly-flopping, not; but crawling on, making receivers also. I love you.**

8. See what I have said, am saying. **Can you see? Receive? Understand not all as is, really is.**

9. This is the now. Cataclysmic to understanding; all. Watch me. Watch out, not; watch now that which performeth my word, not; be's it, not in understanding how to control and manipulate, hoping for growth; but lifteth and healeth and makes all things new. Watch me/us performing father's heartwords, bursts of joy coming forth exploding continents many.

10. Mapping much many do, following in your footsteps mine. I love you. Many continents unknown, unseen, unconquered not; unvisited by son of man is/being. Watch me/us man many with not son of them but son of me being them, my kingdom revealing. Fatherhood Christship revealed experienced.

11. **And who feareth these things/words? None that are me.**
12. Looking forward to all-word, all-land I am; all of me. I love you. Me.

13. **This is the now and London changes. I change not. I change all.** I love you. Me. Think not of/being another, or of time zones not me unmapped. I give you all. All are there/is ready.

14. Slither nowhere nothing does that can affect you.

15. I give you me/Barbi all.

16. **Son of man son of God being one and who can read clearer than this, being what they read?** I love you. Amen.

17. Theology clashes with itself/me, my revealed in me. Revised, reformed, not; altogether chosen frozen, not; understood all by **surrenderers now that become me, my word, that they were, are again, in complete surrender, loving meekness, humility and respect, honor and deference, integrity unparalled, and longing to be my kingdom. Incarcerated in no longer, freed forever.** Amen. **Me, understood, longed for, experienced; never experiencing not-me again. Guaranteed, deposit-surety given. My spirit within thee is, my fullness not, not; my fullness, Godhead, complete covenant, all-word, Promised Land. Now and forevermore I bow my head/hand to the almighty, not; I am it/him, in deference to all others, not; there are none else. I am me again.** Thank you forever.
